

PR6600 Rural and Low Income Program Compliance Report

Complete the PR6600 to report compliance with the Rural and Low Income Program.

Part 1: Organization Information

Part 1 is automatically filled from the information for your organization from the eGrants database.

Part 2: Applicant Contacts

Type the contact information for the primary and secondary contact.

Part 3: Program Activities Used to Achieve Goals

Complete this part to provide information about the program activities employed to achieve Rural and Low Income Program goals.

1. For each program category listed, type the estimated expenditure for program activities addressing it. This value must be greater than zero.
2. For each program activity with an expenditure, check one or more goals that the activity addressed. At least one goal must be checked for each activity with an expense. The three goals for the program appear under the part number for your reference.
3. If you conducted an additional program activity in the category, check one or more goals that the activity addressed and type a description of the activity.

Total

The totals of the Estimated Expenditures you entered above appear in the **Total Expenditures** box.

Part 4: Additional LEA Data

This part is available for submitting any additional information related to Rural and Low Income Program compliance to TEA.

Part 5: Report Submission Authorization

Submission of this form must be done by a legally responsible Authorized Official for the organization. Completion and submission certifies that the information is correct.

1. Read the certification and incorporation statement.

2. If the Authorized Official is the same person as the Primary Contact listed in Part 2, click **Copy** to copy that information into this part. If the Authorized Official is a different person, type the contact information for the Authorized Official.
3. Click **Certify and Submit** to submit the report.
